Here is your opportunity to own a full brick home on a storybook tree-lined street in Richmond Heights. Step inside and notice the beautiful hardwood floors and numerous windows that flood the house with natural light.

The large formal living room features a gas fireplace. To the left of the entry is the formal dining room. Next, you enter the updated eat-in kitchen with double ovens, cooktop and dishwasher. From your kitchen table, you will enjoy tremendous views of the backyard. There is also an updated half bath on the main floor.

Upstairs, you will find 3 nice size bedrooms and updated hall bath. There is also a rear entry tuck-under garage and large driveway area perfect for basketball games or little ones riding their bikes.

The huge backyard patio with pergola is simply amazing. The fenced-in backyard is perfect for pets or children soccer games.
